

REQUEST AND APPROVAL FOR RESEARCH SALARY PAYMENT

Research Administration Office (RAO)

email to gene.larson@byu.edu

INSTRUCTIONS:

1. This form is used primarily for requesting salary for graduate students and post-doctoral fellows who will be paid from a research account. If they will not be paid from a research account, do not use this form.

2. Faculty members should only use this form when they are replacing an equal amount of pay within their academic contract. All spring/summer salary should be submitted online via the ePAF home page with the assistance of their department secretary.

3. The "% of Month" column should be the percentage of time worked during a certain month on the research project. For example 100% for a full month, 50% for a half month, etc. If you will be paying one individual from more than one research account, you will need to submit a separate form for each account, and indicate the percentage of their salary that will be paid from each account.

Please fill in this form completely and email to gene.larson@byu.edu. Once it has been approved by the RAO, it will be forwarded to Faculty Compensation.
